BLOOD TYPES*

Some blood products are difficult to get in the Philippines. As a service to all our members and their families we maintain a list of members who are willing to be called upon to donate blood in an emergency (REMEMBER: THIS COULD BE YOUR EMERGENCY.) There is no need for regular blood donation.

By advising us of your blood type you agree to be contacted by ANZA's Bloodbank Coordinators.

Would you be prepared to give blood to someone other than an ANZA Member? YES NO
